Teachers' Note

Dear Parents,

At our school we focus on a "Happy Habit," each month, and September is Be Proactive. We are working to act before we have problems in order to avoid them and to do things without being asked.

An example of being proactive we've noticed is when students know routines and do them without having to be told. They come in and get started right away. That helps our day go much more smoothly.

What are things your child does to be proactive at home? Send a note or email your teacher, and your child will earn a treat!

Have a great week!

The 2nd Grade Team
